A Daring Sea Rescue in Ballybunion in 1978

This series of photographs was posted on Facebook by Mike Flahive. The photos were taken by Francis Bennett of Ballybunion. They show the rescue of two brothers who, foolishly, put out to sea in a canoe.

The series of photos show their rescue in the early days of Ballybunion Sea and Cliff Rescue. The rescuers were **Mike Flahive**, **Tim Hannan** and **Robert Stack** in Lady of the Shore.

The great series of pictures shows the canoeists being towed to the shore with the help of the lifeguard.
